Lord! Bestow upon us, a veil of good health, satisfy our wishes here and in the hereafter. O Allah!

Open all gates of favors that You only open for the men of virtue. O Allah!

Put us on the Right path; Preserve us from stumbling, Chase Satan and other evil creatures

away. O Allah!

Make us obtain what we desire; help us attain our goals; Help us make good choices. O Allah

Make easy what is difficult and complicated. Solve our problems. O Allah!

Grant us a long life; Give us a strong health; Show us the Right Path and the Road to felicity. O Allah!

Dominate the enemies who want to harm us before they attain us. O Allah! O Allah!

Be our protector against what bring forth death; Preserve us from all kind of woes. O Allah!

Preserve us from disasters, from earthquakes, from unhappiness and poverty. O Allah!

Preserve us from degradation, from penuries, from defeats, from misery, from hunger and thirst. O Allah!

Preserve us from epidemics, fires, drowning, from tornadoes, from theft and pains. O Allah!

Preserve us from heat, cold, calamities, lootings, revenge, perdition and sorrow. O Allah!

Preserves us from the insects, the sins, stumbling, and the libelous, from the monsters, O Allah!

Preserve us from insanity, leper, and physical handicaps. O Allah!

Preserve us from the ugliness of this world and of the hereafter. O Allah!

O you the Omnipotent! O you who sit on an immense Throne! O Allah!

I beg for you to bless me with a useful knowledge; give me humility and a pure heart. O Allah!

Accept my repentance and elevate my soul. Give me a pious and virtuous wife. O Allah!

Be He, who will protect me against the evil of the Jealous, the mischief of the evil whisperer, from the mischief of the envier when he envies. O Allah!

Be my refuge against the evil of the magic, against the evil of the Jinn, and other venomous creatures. O Allah!

I trust in You, You are a safe shelter in the here and in the hereafter. O Allah!

Abandon not me, I will perish. Be there for me every time I cry for help. O Allah!

When I die, make my heart and tongue say your Name. O Allah!

Make my death be a source of rest and joy. O Allah!

Take good care my body when my soul abandons me. O Allah!

Be my aid and companion when I will be interred. O Allah!

Do not envelop me what is frightening, protect me against what I fear. O Allah

Save me, save all Muslims, save my mother. Amen. O Allah!

Forgive us, forgive my mother. Hide our vices. Be a Kind to us and to her. O Allah

Do not punish us; do no punish her for her sins. She has no one but You. O Allah!

In the tomb and on the Day of Judgment; Be our shield. Save us from distress. O Allah

Do not put my mother through a hardship she cannot endure; Do not break my hope. O Allah!

Allow her to drink in the fount of abundance that you have created for the Elected (Mohamed)! O Allah!

It is he, who guided mankind unto the right path; he, who vanquished the infidels; he who helped the god-fearing believers. O Allah!

I named Mohamed, the seal of the elected, our guide to the eternal Paradise on the day of the gathering. O Allah!

Bestow all blessings forever upon Him, and upon those who follow him. O Allah!
